

IARC Summer School 2017 - Application form

Introduction and About you...

Family name/Nom de famille/Apellido*

First name (Given name)/Prénom/Nombre de pila*

Institution

Street

City*

State/Province

ZIP/Postal code

Country. If you cannot find your country in the list, select 'Other' then enter your country in the box below.*

Other country

Email*

Telephone*

Fax

PRIVATE ADDRESS

Communications will be sent to your WORK ADDRESS (documents, certificates,etc.)

If you want it to be sent to another address (private address), please provide it below (street, number, city, state/province, zipcode/postal code, country)

Please indicate if you would like communications to be sent to your work or private address.*

Work address

Private address

Gender*

Female

Male

Age (number only)*

Country of origin (nationality). If you cannot find your country in the list, select 'Other' then enter your country in the box below.*

Have you ever attended any previous courses organized by IARC?*

No

Yes. Please give details: _____

How did you hear about the IARC Summer School? (Multiple answers possible)*

- Internet search (i.e. google)
 - IARC website
 - GICR website
 - IARC staff
 - A colleague who attended the course
 - Your supervisor who attended the course
 - A colleague who read/heard about the course
 - Your supervisor who read/heard about the course
 - At an IARC meeting/workshop
 - At another meeting/workshop
 - Through a newsletter by email
 - Other. Please specify: _____
 - Through the IARC Education and Training Newsletter
 - Through LinkedIn / IARC Alumni
 - Through Twitter
-

Education and current position

What were your basic studies?*

- Medicine (All specialities)
- Natural Sciences / Biology
- Epidemiology / Public Health
- Social Sciences
- Mathematics / Statistics / Computer Sciences
- Other: _____
- Nursing

Provide the detail of your education background. Start with most recent and exclude secondary school if you have a university degree or equivalent.

Organise by: Name and city / From (year) To (year) / Field of study / Degrees*

In what type of institute are you working/studying?*

- Cancer research institute
- University department
- School of Public Health
- Ministry of Health
- Other Ministry
- Social insurance system
- Other. Please specify: _____
- Oncology Center
- Cancer Registry

Which is your current scientific discipline?*

- Cancer registration – data collection
- Cancer registration – data entry
- Cancer registration – reporting
- Epidemiology & Biostatistics
- Molecular Genetics
- Mechanisms of Carcinogenesis
- Molecular Pathology
- Infection & Cancer
- Molecular Cell Biology
- Other. Please specify: _____
- Clinical Oncology
- Pathology
- Palliative Care

Title of your post*

From (month and year)*

Years of service (number only)*

What are your work activities (by time)?

Note: you have to answer for each type of activity, including "Other". If not relevant, please choose 0 %

	Percentages of time (%)
Research	_____
Data management (i.e. cancer registrars)	_____
Patient care	_____
Teaching	_____
Administration	_____
Other	_____

Motivation to attend the course

19-23 June 2017 (one week)*

- Module 1a:** Cancer Survival Methods for Cancer Registries
- Module 1b:** Implementing Cancer Prevention and Early Detection
- Not interested** to apply

26 June-7 July 2017 (two weeks)*

- Module 2:** Introduction to Cancer Epidemiology
- Not interested** to apply

Research experience and current activities relevant to Module 1a / 1b / 2:

Please briefly describe your research experience and current activities relevant to Module 1a/1b/2*: _____

Number of years of research experience (number only)*: _____

Please list below the 5 most important research projects relevant to Module 1a

	Title in the Project	Role	Description
Project 1	_____ _____ _____	_____ _____ _____	_____ _____ _____
Project 2	_____ _____ _____	_____ _____ _____	_____ _____ _____
Project 3	_____ _____ _____	_____ _____ _____	_____ _____ _____
Project 4	_____ _____ _____	_____ _____ _____	_____ _____ _____
Project 5	_____ _____ _____	_____ _____ _____	_____ _____ _____

What is your motivation for applying to Module 1a/1b/2?

What do you hope to learn from it? Upon returning to your home country, in what ways would you implement what you learn?

If needed, upload the completed list of publications here _____

How would you rate your English? Please give an honest assessment as we will be conducting random telephone interviews to test your English*

() Limited comprehension and conversation.

- Good comprehension, reading of newspapers, routine correspondence.
- Engage freely in discussions, read and write more difficult material.
- Understand, speak, read and write fluently.

How often do you use the following software?*

	Every day	Several times a month	Rarely	Never
MS Excel (or equivalent)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
MS Word (or equivalent)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
MS Power Point (or equivalent)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Internet browser	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

What is your level of biostatistics?*

- You have a good theoretical understanding of statistics and use R for at least some of your calculations or programming
- You regularly use Stata, SAS or similar statistical programs
- You use a spreadsheet to do some statistical calculations and/or occasionally use a specialised statistical program
